

Suppliers on the Web/Internet Address Listing

The following list of companies serve the pulp, paper and allied industries. Included are TAPPI sustaining member companies and other supporting companies who currently have or plan to have a web site. The list includes the company name, address, phone numbers, email addresses and web site addresses as provided by those companies. This list was compiled from survey forms received from supplier companies prior to June 18, 1999. If your company is not listed, please contact Nicole Jones at 770-209-7349 for information on next year's web site listing. TAPPI assumes no responsibility for the accuracy of the original material. The information is provided as a service to TAPPI members and does not imply an endorsement of one company over another.
